THE FACTS

Engineering Village

Files Available:
Inspec
Inspec Archive

Search modes: Easy, Quick, Expert, Thesaurus

Special Features
- Thesaurus
- Links to full text depending on the content to which your company or institution subscribes, and what is available for free on the web
- Weekly RSS and email alerts to keep you up to date
- Multiple personalization features
- 12 databases available for cross-searching
- De-duplication functionality when cross-database searching
- "Facets" results data grouped by field
- Sort by relevance, date, author, source or publisher
- Tags and groups
- Blogs offer discovery, collaboration and organization
- Ask an Expert (engineers or librarian)

Proximity Operators
Near # within # words
Onear # within # words (exact order)

Truncation:

Function	Symbol	Example
Unlimited number of characters	*	Computer*
Single character	?	Wom?n

Autostemming occurs in Easy and Quick search.

Browsable indexes:
Author
Author affiliation
Controlled term
Language
Serial Title
Document type
Publisher
Treatment type
Discipline

IET Inspec

Engineering Village

Quick Reference Guide

FIELD NAME	FIELD CODE	EXAMPLES
Accession Number	AN	7100000 wn AN
All Fields	ALL	semiconductor wn ALL
Astronomical Object Indexing	AI	"rz cas" wn AI
Author	AU	bohm wn AU
Author Affiliation	AF	ibm wn AF
Chemical Indexing (1987-)	CI	(he/bin near ne/bin) wn CI
Classification Code	CL	b7230* wn CL
CODEN	CN	ULTRD6 wn CN
Conference Information	CF	prague wn CF
Controlled Term	CV	biological wn CV
Country of Origin	CO	china wn CO
Discipline	DI	A wn DI
Document Type	DT	MR wn DT
ISBN	BN	3-540-00199-9 wn BN
ISSN	SN	0304-3991 wn SN
Language	LA	german wn LA
Material Identification Number	MI	"H792-2007-003" wn MI
Numerical Data Indexing (1987-)	NI	"frequency 3.0E+09 hz" wn NI
Original Classification Code	OC	automobilism wn OC
Publisher	PN	IOP wn PN
Serial Title	ST	IET wn ST
Subject/Title/Abstract	KY	{physical chemistry} wn KY
Title	TI	avionics wn TI
Treatment Type	TR	PRA wn TR
Uncontrolled Term	FL	digital wn FL
