

Collective **inspiration**

Career Manager your route to **ICTTech**

Manage your professional development online with **Career Manager** and gain recognition for your skills and experience with **ICTTech** registration.

ICTTech allows ICT practitioners to demonstrate:

- knowledge and understanding
- application and knowledge
- personal responsibility
- interpersonal and communication skills
- professional conduct

Use **Career Manager** to prepare and submit your registration application online – exclusive to IET members and available 24/7 from any internet-ready PC.
