**SHROPSHIRE BASED ENGINEERS REQUIRED FOR ONE EVENING IN NOVEMBER TO
PROVIDE INTERVIEW PRACTICE FOR POTENTIAL OXBRIDGE CANDIDATES**

The Rotary club of Shrewsbury provide interview practice for potential Oxbridge candidates attending Shrewsbury College and Concord College. We have sadly lost some of our Chartered engineers over the past couple of years and now we find ourselves with more students hoping to pursue a career in engineering (Various disciplines) than we have interviewers. We are therefore looking to the IET for help in recruiting some practicing or retired professional engineers to help with our task.

The interviews will be held on the 11th November 2022 at Concord College, Acton Burnell, Shropshire. SY5 7PF starting with a briefing and coffee at 6pm. Each interview lasts 30 minutes max. Dinner is served in the dining room at 7:30pm. The last interview session starts at 8:30pm finishing at 9:30pm. There are two interviewers per panel. It is usual to place a less experienced with a more experienced interviewer on each panel. Each panel will conduct four interviews maximum. At the end of the evening, each panel member receives a small but welcome gift as a token of appreciation from the colleges

Having taken part in these interview sessions for many years I can truthfully say that I find the experience very rewarding.

If you would like to take part or discuss any matters concerning the above, please give me a call on 07971 210562 or 01743 246580 or email me at peterlangdon@btinternet.com.
