Partner News schedules are subject to change

Requirements:
- Half page article (300 – 350 words) OR
- Full page article (450 – 500 words) OR
- Double page spread (750 – 900 words);
- High resolution image* (min. 300 dpi);
- Alternative high resolution image* (optional);
- Captions for images;
- Call to action (including contact details if applicable).

*Please note that if any images contain individuals that are aged 16 or under, the IET legally requires signed permission for the image to be used from either the individual or their legal guardian. Please see the IET Policy: Safeguarding children and vulnerable adults section of our author guide for more information.

You can find past editions of Partner News as well as featured articles and the author guide on our website theiet.org/partner-news. If you have any questions or would like to submit an article, please get in touch partnernews@theiet.org.

N.B. We receive a high volume of content for each issue of Partner News and therefore cannot guarantee all articles will be included, final decision on priority of inclusion will be with the editor. However we are able to feature select articles on our online pages.
