| **What you can gain from this role** | ▪ Further develop your teamwork and communication skills.  
▪ Positively contributing to the careers and development of other engineers.  
▪ Meet people from different sectors and industries, helping you to build your network and keep up-to-date in the engineering and technology environment.  
▪ Volunteering contributes towards your CPD and can be logged as part of your CPD activities. |
| **Main duties and responsibilities** | There are two reviews of documentary evidence as part of the Professional Review Process.  
You’ll serve on a panel:  
**Pre-Professional Review Interview (PRI) Assessment** (usually two Assessors and one Moderator), you’ll:  
▪ Review the documentary evidence (which may be more than the application).  
▪ Advise the Moderator of their assessment of the written evidence, using judgement based on expert knowledge of the applicant’s industry and UK-SPEC.  
▪ Hear and understand the opinions of the other Assessors and assist the Moderator with consensus when necessary.  
▪ Where an applicant's qualification is not a UK-SPEC recognised qualification, or clear equivalent, consider how the evidence demonstrates the applicant’s Underpinning Knowledge and Understanding (UK&U) required for the category they are applying for.  
▪ Identify and recommend any additional evidence required to support the application.  
**Post-Professional Review Interview (PRI) Assessment** (usually one Assessor and one registrar), you’ll:  
▪ Review the documentary evidence.  
▪ Consider if process has been fair and rigorous (where required ask Registrar to seek clarification on Interviewer Comments)  
▪ Make final decision on application.  
**General**  
Registration Assessor’s must adhere to the IET’s data protection policy throughout all processes.  
The panels are not standing committees; they are formed as necessary. |
for the purpose of dealing with a particular case.

| How this role supports our vision and mission | Registration Assessors Inspire, Inform and Influence our Practitioner, Academia, Industry and Society audiences.  
This role is inspiring the next generation of engineers and technicians.  
It's supporting our Engineering Excellence theme by playing a key role in supporting our members to gain registration. |
