IET Journals Packages are designed to offer you greater value and flexibility in accessing IET content. All 2020 journals packages include an online version of the journal enabling multi-user access at no additional cost. This means users can access the most up-to-date research as soon as articles are accepted, in advance of issue publication. In addition, with an IET Journals Package you will save 20% on the list price for individual titles – offering you comprehensive engineering content at great value.

For our Corporate customers, we recognise that your requirements may differ from the packages created. Do contact us for a specific quotation based on your audience and content needs.
