#PresentIn10 Judging Criteria

Virtual Presence
How visible are you? Is your background clear, is your lighting well balanced? Do you look professional?

Voice
Are you speaking clearly and confidently? Can everyone hear you properly?

Slide Deck
Do your slides help to demonstrate what you are saying clearly and concisely?

Time Management
Are you sticking to the 10-minute time limit? Are you making the most of the time available?

Audience Impact
Are you engaging with the audience? Is there an opportunity to engage with them through the use of online tools?

Technical Topic
Do you show an in-depth knowledge or interest in your topic? How prepared are you for questions?

Technical Content
How relevant is your presentation to the topic? Is it clear and understandable to all levels of understanding within the audience? Does your presentation have a clear introduction and conclusion?

Overall
Does your presentation have a clear objective or message? How well did you put that across?
