Each party agrees they will not do or omit to do or permit anything to be done which is an offence or which may be deemed to be an offence under the Relevant Requirements and they will notify the other party immediately upon becoming aware or upon becoming reasonably suspicious that an activity related to the Agreement has contravened or may contravene the Relevant Requirements.

15.3 Modern Slavery: Each party shall comply with all applicable anti-slavery and human trafficking laws, statutes, regulations and codes from time to time in force including but not limited to the Modern Slavery Act 2015, and shall have and maintain their own policies and procedures to ensure their compliance.

15.4 Tax Evasion: Neither party shall engage in any activity, practice or conduct which would constitute either: (i) a UK tax evasion facilitation offence under section 45 of the Criminal Finances Act 2017; or (ii) a foreign tax evasion facilitation offence under section 46 of the Criminal Finances Act 2017, and each party shall have and shall maintain in place such policies and procedures as are both reasonable to prevent the facilitation of the offences above by an associated person (as defined in the Criminal Finances Act 2017). Each party shall report to the other party immediately any request or demand from a third party to facilitate the evasion of tax within the meaning of Part 3 of the Criminal Finances Act 2017 or any suspected tax evasion
offences or facilitation of tax evasion offences, whether under the laws of England and Wales or under the law of any foreign country, in connection with the performance of this Agreement.

15.5 A breach of clauses 15.1 to 15.4 inclusive of this Agreement shall be deemed a material breach that is not remediable.

16 General

16.1 IET Identifiers: The Licensee shall not use any of the IET’s trade marks or trade names (save to the extent reasonably required to comply with the acknowledgement obligations under these General Terms or as required under the Platform Conditions) without obtaining the prior written consent of IET.

16.2 Platform and Licensed Materials: The Platform and the Licensed Materials are provided in accordance with the laws of England and Wales.

16.3 Confidentiality: The terms of the Order Form are confidential and shall not be disclosed by the Licensee to any third party without the IET’s prior written consent, unless disclosure is required by law, a court of competent authority or regulatory body.

16.4 Entire Agreement: The Agreement (as defined on the Order Form) constitutes the entire agreement between the parties and supersedes and extinguishes all previous agreements, promises, assurances, warranties, representations and understandings between them, whether written or oral, relating to its subject matter. The Licensee acknowledges that in entering into the Agreement it does not rely on, and shall have no remedies in respect of, any statement, representation, assurance or warranty (whether made innocently or negligently) that is not set out in the Agreement. The Licensee shall have no claim for innocent or negligent misrepresentation based on any statement in the Agreement. For the avoidance of doubt, any terms and conditions attached to any purchase order or otherwise submitted at any time to the IET by the Licensee in connection with the Licence are not accepted by the IET and shall not apply to the Agreement.

16.5 Variation:

16.5.1 The IET has the right to change and/or modify these General Terms and the Platform Conditions (or any part of the same) from time to time and shall notify the Licensee of such changes and/or modifications provided always that that IET shall not have the right under this clause 16.5.1 to diminish the scope of the licence granted to the Licensee under this Agreement or to increase the Fee payable (any such changes and/or modification to be agreed in accordance with clause 16.5.2). The Licensee’s and any Authorised Users’ continued use of the Platform and/or any Licensed Materials following such notification will signify the Licensee’s acceptance of such changes and/or modifications.

16.5.2 Subject to clause 16.5.1, no variation of this Agreement shall be valid unless it is in writing and signed on behalf of each of the parties.

16.5.3 Unless otherwise specified in an Order Form, where prior to the date of this Agreement, the Licensee has entered into an agreement with the IET for any of the following products (IET Academy, IET Digital Library, IET Inspec Analytics, IET Inspec Direct, IET.tv and/or IET Digital Wiring Regulations Products) ("Existing Product Agreement"), the Licensee agrees that with effect from the date of this Agreement ("Variation Date"), the terms and conditions of the Existing Product Agreement shall be varied by replacing them in their entirety with these General Terms and the relevant Platform Conditions provided always that: (a) the details specified in any then-current order form (or equivalent) relating to the Existing Product Agreement shall remain the same; and (b) these General Terms and the relevant Platform Conditions shall only apply in respect of the Licensee’s access to and use of the relevant platform and the materials and/or content already purchased under the Existing Product Agreement from the Variation Date and any liabilities
arising prior to the Variation Date shall be determined in accordance with the relevant terms and conditions of the Existing Product Agreement.

16.6 **Assignment**: The Licensee shall not assign, transfer, subcontract or deal in any other manner with any of its rights and obligations under the Agreement without the prior written consent of the IET. If rights in all or any part of the Licensed Materials are assigned by the IET to a third party, the IET shall endeavour to ensure that the Licensee may continue to have access to the Licensed Materials.

16.7 **Waiver.** A waiver of any right or remedy under the Agreement or by law is only effective if given in writing and shall not be deemed a waiver of any subsequent right or remedy. A failure or delay by a party to exercise any right or remedy provided under the Agreement or by law shall not constitute a waiver of that or any other right or remedy, nor shall it prevent or restrict any further exercise of that or any other right or remedy. No single or partial exercise of any right or remedy provided under the Agreement or by law shall prevent or restrict the further exercise of that or any other right or remedy.

16.8 **Severance.** If any provision or part-provision of the Agreement is or becomes invalid, illegal or unenforceable, it shall be deemed modified to the minimum extent necessary to make it valid, legal and enforceable. If such modification is not possible, the relevant provision or part-provision shall be deemed deleted. Any modification to or deletion of a provision or part-provision under this clause shall not affect the validity and enforceability of the rest of the Agreement.

16.9 **Headings and Interpretation:** The headings used in the Agreement are for convenience only and are not to be considered in construing the terms of the Agreement. In the Agreement “includes” and “including” and words of similar effect shall be construed as if they were immediately followed by the words “without limitation”.

16.10 **Relationship:** Nothing in this Licence shall be construed to create any relationship of partnership, agency or employment between any of the parties.

16.11 **Language:** The Agreement is drafted in, and will be governed by, the English language only. If the Agreement it is translated, the English version shall prevail.

16.12 **Notices:** Any notice or other communication given to a party under or in connection with the Agreement shall be in writing and shall be:

(i) delivered by hand; or

(ii) sent to the other party by pre-paid domestic first-class post or other next working day delivery service at its registered office (if a company) or its principal place of business (in any other case); or

(iii) sent to the other party by pre-paid international first-class post at its registered office (if a company) or its principal place of business (in any other case); or

(iv) sent to the other party by email to the address contained on the Order Form.

Any notice or communication shall be deemed to have been received:

(v) if sent in accordance with clause 16.3(i), receipt of a signature at the time of delivery;

(vi) if sent in accordance with clause 16.3(ii), at 9.00 am on the second Business Day after posting or if earlier at the time recorded by the delivery service;

(vii) if sent in accordance with clause 16.3(iii), at 9.00 am on the fifth Business Day after posting or if earlier at the time recorded by the delivery service; and
(viii) if sent in accordance with clause 16.3(iv), at the time of transmission, or, if this time falls outside business hours in the place of receipt, when business hours resume. (For the purposes of this clause, business hours means 9.00am to 5.00pm Monday to Friday on a day that is not a public holiday in the place of receipt.)

This clause does not apply to the service of any proceedings or other documents in any legal action or, where applicable, other method of dispute resolution.

16.13 **Third Parties:** No person other than the IET and the Licensee has any right to enforce any term of the Agreement.

16.14 **Mediation:** Subject to clause 16.15, if any dispute arises out of or in connection with Agreement, the parties agree to attempt to resolve a dispute by negotiation between the parties in the first instance. If the attempt is unsuccessful, the parties agree to enter into mediation in good faith to settle such a dispute and will do so in accordance with the Centre for Effective Dispute Resolution Model Mediation Procedure. The commencement of a mediation will not prevent the parties commencing or continuing court proceedings.

16.15 **Law and Jurisdiction:** The Agreement and any dispute or claim (including non-contractual disputes or claims) arising out of or in connection with it or its subject matter or formation shall be governed by and construed in accordance with the law of England and Wales. Each party irrevocably agrees that the courts of England and Wales shall have exclusive jurisdiction to settle any dispute or claim (including non-contractual disputes or claims) arising out of or in connection with the Agreement or its subject matter or formation.
