6. Financial Need/Personal Obstacles

Questions

- Are there any financial and personal circumstances which you would like the Panel to take into account?
- Please tell us about your, household income, benefits, disabilities, carer responsibilities.
- Did you come to the UK as a refugee/asylum seeker?

Think about

- Financial need, health issues for you or your family, receiving minimum wage or benefits, are you a single parent etc

7. Achievements

Questions

- Please provide a summary of your reasons for doing an engineering degree or apprenticeship
- Please tell us about any competitions or awards you have taken part in and how these have helped develop your engineering interests.

Think about

- Tell us why you've chosen an engineering degree/apprenticeship, be clear on your achievements and what interests you about an engineering career
- What competitions you've taken part in that are relevant to a future career in engineering? Did they help you decide that's what you wanted to do?

8. Supporting Information

Questions

- Please tell us why you should receive a Future Talent Award?
- Are you a STEM Ambassador?
- Do you want engagement opportunities? E.g. networking

Think about

What difference it would make to you?
Please include any information that you think may be relevant that you have not already included previously.

9. Feedback

Questions

- Compliance
- How did you first hear about Future Talent Awards?
- Feedback – About the application process

Take note

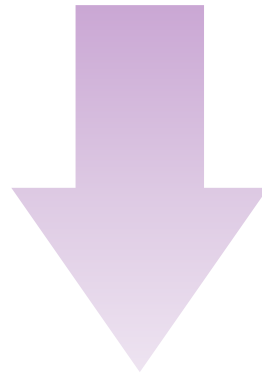

- Declaration that the statements in your application are correct
- Other Notes about Judging and decisions
- Marketing Declaration

10. Membership

Question

Are you already a member of the IET?

You don't have to be a member to apply!

10. Membership Continued

Questions

- Compliance
- If you are awarded a Future Talent Award, you will receive free IET membership. (unless you are already a member or will be awarded free membership via your university)

Take note

- Declaration that the statements in your application are correct

11. Statements

Take note

- Privacy Statements
- Notes on the Judging process
- Agree statements

12. Anonymous Survey Questions

- You will be asked to answer some anonymous questions about Diversity at the end of the application.
- We do this because the IET is especially committed to attracting applicants that reflect the diverse communities that we serve.
- It's important that we monitor and analyse this information so that we can make sure our processes are fair, transparent, promote equality of opportunity for all applicants and do not negatively impact anyone.
