Engineering Background

It is important that you select the most relevant field to explain your role and engineering background as this will be used for the basis of your pairing.

Please select the three specialisms that best explain your field of engineering:

Option 1

Option 2

Option 3

I understand that I am required to sign up to the Volunteer Code of Conduct and Policies and undertake training as part of my role.

I have read and understood the guidelines that are relevant to my role.

I give permission for this information to be forwarded to a relevant member on confirmation of the pairing.

The information that you provide to us will be used to ensure we provide you with products and services that best meet your needs. By providing us with your contact details you agree that we may contact you. You can change this preference at any time by visiting www.theiet.org/my.
